ABOUT STEVE

Steve Lowisz is a global keynote speaker, active CEO, and board advisor who helps leaders and teams perform under pressure. Founder of Qualigence International and the Lowisz Leadership Institute, Steve brings 25+ years of real operating experience to the stage — not recycled theory. His signature Guide, Don't Drive™ operating system gives leaders a practical framework for building ownership, resilience, and accountability without micromanagement.

SIGNATURE KEYNOTES

- **From Pressure to Performance** — Turn stress and stakes into focus, ownership, and execution.
- **Leading Without Driving** — The Guide, Don't Drive™ system for teams that execute without micromanagement.
- **Rising Stronger** — A practical resilience framework for leaders navigating disruption.
- **The Leadership Multiplier** — Develop leaders at every level and multiply your best people's impact.
- **Performance Under Pressure** — What elite performers do differently when everything is on the line.

IDEAL AUDIENCES

- Annual conferences & association events
- Leadership summits & executive retreats
- Sales kickoffs & all-hands meetings
- Healthcare, banking, manufacturing & more

EVERY BOOKING INCLUDES

- Pre-event discovery call & full customization
- Response to inquiries within 24 hours
- Full AV/tech rider provided upfront
- Post-event follow-up resources

"Steve was the highest-rated speaker at our annual conference. The feedback from our members was incredible. He tailored his content to our HR audience, and the Guide, Don't Drive framework gave them something they could take back to their organizations immediately."

— Angela T., Executive Director, National HR Association
