

STEVE LOWISZ

BIOGRAPHY

Steve Lowisz is a successful entrepreneur, TedX and keynote speaker, educator, trainer, and investor. He founded Qualigence International in 1999 and has since founded other businesses under the Qualigence brand based on need in the industry. The additional companies include Qualigence Leadership Institute (QLI), Recruiting Education Institute (REI) and others.

Steve prides himself for tailoring every speaking engagement to educate the audience, regardless of the topic, and as a result he has received requests to speak at corporations headquartered around the world including Starbucks, Blue Cross Blue Shield, Coca-Cola, Cisco Systems, Whirlpool and more. Steve is a contributor to the Forbes Human Resource Council and the founder of the HR Executive Council. His speaking approach is interactive and engaging, getting the audience to dig deep, and always leaves attendees wanting more. His wide range of speaking topics include leadership analytics, talent optimization, team dynamics, diversity/inclusion, sales training, optimizing 1:1s, and more. His renowned accolades and experience speaks volumes.
